

OTM READERS COMMENTS

OnlyThisMuch. Sharp but sure way to learn law. It takes a student to the depth without drowning him. A sure shot way to comprehend law in all its dimensions – both for students & practioners.

MR Venkatesh, Renowned Chartered Accountant & Economist

I have gone through cursorily the Only This Much. I have read the objectives you have stated in the Preface. I appreciate your efforts in bringing out the book with an innovative idea. Though there is a scope to further simplify the language (in the light of the plain English guidelines that I discussed), the way it has been written stands out and makes the reading comfortable.

Dr. Chandratre, Practising Company Secretary & Author

First of all I have to appreciate your efforts to make our CS course more convenient, interesting and simple by giving such a wonderful composition of OTM. I am saying these words due to my personal benefit I got from OTM of executive programme. Really OTM of EP is just like my running note book, which I used to prepare at class room. The words which you used is just like conversation between you and the reader. the way you stress the areas we need to take care really useful. I secured 178 marks in second group, undoubtedly I can say it is because of OTM. Now I am preparing for Professional programme. I decided before starting my preparation I need not go for any other books rather than OTM.

A book which has the magic of making lots of wonders for the student who is reading it & believing it. A book of hardwork by many experts whose efforts have paved a new path in with my life which welcome me with standard, priority, money & respect. My sincere thanks to the authors by whom my life has changed.

Manju Narayanan, CS CWA & MBA

I had studied thru OTM of Executive and got **4th All India Rank**. thanks for the same.

KIRTI KUMAR MAHESHWARI

Yaa it is definitely a new concept to bring all laws 2gether, u have solved a lot of problems of professionals especially CSs. **Richin Sangwan, CS of Archies**

You deserve a treat for your OTM. I used only OTM for 4 subjects and cleared CS Professional Program. Thanks a lot. Thanks to OnlyThisMuch. Wish you all success :)

Charanya, Learnlabz Student

Priyanka Gupta, Lucknow

You book "ONLY THIS MUCH FOR PROFESSIONAL PROGRAMME" helped me a lot for getting basic concepts of 6 subjects.

Jyothi, Hyderabad

I would like to thank the whole team of Law Labz for providing us such a nice Book in the Form of ONLY THIS MUCH, which will be useful for me in appearing for the Professional level Exam of the Institute also.

Deepak Tibrewal, in Top 25, ICSI Merit

To be honest, without your help and the OTM book, i would not have passed the executive program atleast in 1st attempt.

Rakesh

hello, thanks for making CS studies simple and interesting. I bought your book and found it very easy to learn and remember. Presentation is very clear and easy to grasp.

Renuka Taklikar, Nagpur

OnlyThisMuch is a book for the students and it is very good for the regular studies and last minute revision. It is a very very handy book. A one book covering all subjects of CS.

Parthasarathy, Learnlabz Student

I bought your book and found it very easy to learn and grasp. **Raj, Goa**
