

Pre-release of 3rd edition of OnlyThisMuch for CS Executive Program

1. Highlights of 3rd edition

We name it “A COMPLETE MAKEOVER EDITION” as we now have a more student friendly language, enhanced & updated content and we tried to make it feel good as much as possible to enable to tweak the fun learning in you. It now gives a compelling reason of our belief that “Nothing should be read UNLESS OTHERWISE its interesting”.

2. Launch of 2 more icons

As OTM readers enjoy the ICONISTIC approach which enables a refreshing readthrough, we sat and crystallized 2 more new icons for you,

The Proceduraline - Step by step. The staircase symbolizes the sequential steps to be followed as a means of Secretarial practice to the law. The students are expected to remember step by step procedure.

The Caseline - Follow the precedents. The footprints symbolizes following the precedents of a case and marching forward. This highlights the important case laws in the book.

3. Objectives, Onewords & lot more

You can revise the chapter by answering objective questions in interesting forms with _____. Ans = Answers. So, why to read OTM? Ans = Because, you can revise subjects while learning by answering One word questions, choosing, fill in the blanks and match the following, that too at appropriate places!

4. Many new tables, examples, diagrams, charts...

Yes, you will now find List of Special Resolutions to be passed under Companies Act, many new Updates on various laws, enhanced diagrams, knowledge charts and fun ways to memorize concepts creating a fresh learning experience altogether.

5. Past Question Papers covered

On repeated readers request, we found a new way out to insert Past Exam Question papers that too solved or enable you with answers in the course of reading all along. Yes, questions will pop out to find your understanding which are already asked in the New Syllabus of CS exams and marked with (Jun 09) or (Dec 10) symbolifying June 2009 & December 2010 exams respectively. Thus, enabling a complete 1-point reading book for all 3 subjects of Module – 2 covering Company law, Economic & Labour Law and Securities Law & Compliances.

6. Helps you in quick revision

OTM readers win exams easily exclusively for the reason that they revise the book as many times as possible before exams. Mind reproduces the things learnt repeatedly, hence this OnlyThisMuch is more tuned for your receptive mind and comes as a handy piece compelling you to read it again & again & again.

7. Whether OTM is enough?

OTM has repeatedly produced rank holders to prove this is it!!! Its not about learning everything matters but its all about remembering whatsoever small thing learnt and goes further on reproducing it on exam papers. OTM is well enough and can be expanded based on your UNDERSTANDING by reading.

8. Refreshing look

OTM now dawns a fresh look to give feast to the eyes apart from the intellectual effect on your minds! You will find different shades of grey in background to differentiate questions & answers, CAPITALISED words signifying the needs of importance, BOLD words attracting your reading focus and all above, a simple language to easily store & retrieve from your brains.

9. Why at all you have to pick this edition of OTM?

At OnlyThisMuch, it has been our constant endeavour to make the learning experience refreshing and exceedingly rewarding. We have built this edition based on the constructive and overwhelming response received from across India and floated more than 10,000 editions across India. Further, you can get the ELIGIBILITY to participate in OTM ALL India Legability Challenge which will be announced on December 2010.
